paint shops, upholsterers, and parts warehouses to give you our **2019 Referral Guide**. The guide has recommendations on everything from convertible tops, OHC inline 6 engine parts, Pontiac gauge repairs and restoration, finding old Pontiac manuals, to replacement body panels and engine repairs and rebuilds. Where possible, we highlight local vendors, but also include national resources as well.

This guide will be updated regularly, and we welcome comments on how we can improve it. The key to its value, of course, is the referral: a resource or vendor you have used, and you were happy with their service. Special thanks to Cactus GTO Board member **Carl Bylander** for putting this referral guide together.
